Response to Amendment

The following is in response to the Amendment under 37 C.F.R. 1.116 filed on November 23, 2004.

Allowable Subject Matter

Claims 93-97, 107-112, 126, and 131 are allowed.

Reasons for allowance were provided in previous office actions.

Response to Arguments

Applicant's arguments filed on November 23, 2004 have been fully considered. The amendments to the claims have overcome the rejections set forth previously, as the claims contain subject matter previously indicated as allowable. It is noted that the use of the term "headbox" instead of "flowbox" does not constitute new matter or raise new issues.

Reference is made to the Interview Summary of October 28, 2004 regarding a telephone interview with John Preta.
